**It gives us great pleasure to tell you about our inn in the heart of the glorious Yorkshire Dales countryside.**

Planning and anticipating your Wedding Day should be a pleasure, and we are only too happy to assist in your requirements to ensure that you and your guests have a wonderful and carefree day.

The Tempest Arms is a superb location, with a true 'Country Inn' feel to it. We boast a welcoming bar with roaring log fires and oak beams, and leading off - a beautiful cosy snug with wood panelling, soft drapes and rich carpets. This room makes an ideal meeting room for you and your guests.

Our Pick Hill room is full of character, with historic features including open stone walls, a real log stove and great oak beams which date back many hundreds of years, making it the ideal venue for your special day.

The Tempest also has 21 very comfortable quality en-suite bedrooms and suites to accommodate your guests.

Please take your time and read through the information in our Wedding Brochure and do not hesitate to call us with any questions you may have. We recommend that you start planning your wedding at least six months in advance, although more notice may be needed for a summer wedding due to availability of dates.

You are most welcome to come and discuss your arrangements, or view our function room any time. Just pop in and have a wander, or if you have a number of questions we do suggest booking an appointment so we can take time to answer all your queries.
